25 May 2023	Business/Interest Group	All decisions made by the FSPO that are NOT published on the FSPO public database. The decisions I am interested in relate to misselling of long term products. As I imagine this is not a large number of missing decisions, I would like this information to go back to 2010 or whenever the FSPO started publishing decisions, whichever is the latest. I would also like any information held as to why these decisions were omitted from the database. If the sequence of decisions on the public database records a missing decision, can you please explain why that decision does not exist.	11 September 2023	Refused
