CONTEXT:

This is an exciting time to join a newly established independent statutory body with a very important consumer protection remit. The Office of the Financial Services and Pensions Ombudsman (FSPO) was established on 01 January 2018 to resolve complaints from consumers, including small businesses and other organisations, against financial service providers or pension providers.

We provide an independent, fair, impartial, confidential and free service to resolve complaints through either informal mediation or formal investigation and adjudication. When a consumer is unable to resolve a complaint or dispute with a financial service or pension provider they can refer their complaint to the FSPO.

We deal with complaints informally at first, by listening to both parties and engaging with them to facilitate a resolution that is acceptable to both parties. Much of this informal engagement takes place by phone. For complaints where these early interventions do not resolve the dispute, the FSPO formally investigates the complaint and issues a decision that is legally binding on both parties, subject only to an appeal to the High Court.

The Ombudsman has the power to direct a provider to pay compensation of up to €500,000 to a complainant. He can also direct that a provider rectify the conduct that is the subject of the complaint. There is no limit to the value of rectification he can direct. During the formal investigation of complaints, documentary and audio evidence, and other material, together with submissions from the parties, are gathered by this office and exchanged between the parties.

Following detailed consideration of all of the evidence and submissions made, a preliminary decision is issued to the parties and they are advised that certain limited further submissions can be made prior to the issuing of a legally binding decision. The financial service or pension provider must implement any direction given by the Ombudsman in his legally binding decision.

In July 2018, we launched our [Strategic Plan, 'Enhancing the Customer Experience'](#), which sets out the vision for the next three years. This Plan recognises the increasing volume of complaints and aims to ensure that the organisation can deal efficiently with this increase while enhancing the experience of customers by delivering services faster and better. In January 2019, we launched an online database which details the legally binding decisions which issued in 2018. In addition to publishing the database of full decisions, we also published a ['Digest of 2018 Decisions'](#) which includes a short summary of a selection of 27 legally binding decisions issued in 2018. In March 2019, we published our ['Overview of Complaints 2018'](#) which provides a summary of the 5,588 complaints made to the FSPO in 2018, and how these were dealt with.

Our work is funded through two distinct sources; the management of financial services complaints is funded by a levy on the financial services industry and the management of pensions complaints is funded by the Exchequer, through the Department of Finance. Our current staff complement is over 60 and we have recently obtained sanction for 35 additional permanent positions in recognition of our important and expanding role. We operate under a four-team structure comprising: Corporate and Communication Services; Dispute Resolution Services; Investigation, Adjudication, and Legal Services; and Customer Operations and Information Management.

Statutory Powers

The Oireachtas, through the Financial Services and Pensions Ombudsman Act 2017 has given the FSPO significant statutory powers that are among the strongest in the world for any specialist ombudsman.

These include the power to:

- Collect evidence, enter a business premises, summon witnesses and examine them under oath in order to investigate complaints and make legally binding decisions;
- Direct compensation of up to €500,000 for financial service complaints, €52,000 per year for complaints about annuities, and unlimited rectification for both financial service and pension complaints;
- Publish decisions in relation to financial service complaints and case studies in relation to pension complaints;
- Publish the names of financial service providers who have more than three complaints upheld, substantially upheld or partially upheld in a year;
- Bring matters of concern to the attention of the Central Bank of Ireland or the Pensions Authority.

In addition to these extensive powers of investigation, the Act also provides that the Ombudsman shall, as part of an investigation, try, as far as possible, to resolve a complaint by mediation. This makes the FSPO a vital and integral part of the consumer protection framework. Therefore, these powers will be used to the fullest extent to ensure that any complainant with an unresolved complaint against a financial service provider or a pension provider has a robust and clear path to seek redress.

Functional Areas

For the purposes of this campaign, we are seeking to recruit suitable candidates for two functional areas:

- Dispute Resolution / Mediation
- Investigation / Adjudication / Legal Services

It is expected that two separate panels will be established from this campaign, one per functional area. On the application form, you are requested to select which functional area(s) you would like to be considered for appointment as an Executive Officer. You may select one or both functional areas; however, you should only select a functional area if you are interested in taking up appointment in that area and believe you have the skills and experience necessary to do so.

Successful candidates will be placed on a panel from which appointments will be made. Vacancies will be offered to candidates placed on the relevant panel based on the Order of Merit from interview and their selected preferences. Once a candidate has accepted a formal offer of appointment, their name will be removed from panels established for all other functional areas. Any panels formed as part of this campaign which are not exhausted through appointment of candidates to current or future vacancies will expire on 30 June 2021.

ROLE OF EXECUTIVE OFFICER:

Executive Officers are often engaged in critical analysis and in examining complex, non-routine matters. Within the FSPO, Executive Officers are involved in a wide range of roles and activities, including: the resolution of disputes using mediation techniques; formal investigation of complaints; drafting of decisions; researching and drafting proposals and opinions relating to policy and legal issues; responsibilities for managing operations; and dealing directly with the public.

Most of our Executive Officers manage a portfolio of complaints as part of our complaints handling units, which comprise:

- Dispute Resolution who seek to resolve complaints through mediation by telephone, email and face-to-face meetings;
- Investigation and Adjudication who actively investigate complaints formally in writing, prepare draft decisions and support the Ombudsman in issuing his legally binding decisions
- Legal Services who consider and resolve complex jurisdictional and other legal issues.

Dispute Resolution / Mediation

Executive Officers within the Dispute Resolution Service are responsible for providing a fast, simple and informal resolution service to complainants and financial service providers in order to resolve disputes between these parties in an impartial, independent and objective manner. Investigation / Adjudication / Legal Services

Executive Officers within Investigation and Adjudication manage a cohort of individual complaint files. This involves managing all matters relating to the investigation of complaints which have not been resolved by the Dispute Resolution Service. These Executive Officers provide impartial, independent, and fair investigation of complaints about the conduct of financial service providers or pension providers by actively investigating complaints, collecting, collating, exchanging and considering the necessary evidence and drafting decisions. In drafting decisions, Executive Officers evaluate evidence and apply relevant legislation, regulations, codes and fair procedures to the issues arising.

Executive Officers in Legal Services work on a wide range of complaints and matters concerning the discharge of the FSPO's statutory functions under Irish and EU laws and regulations. This involves a mixture of legal research and analysis and contribution to preparation of legal advices and documents, as well as involvement in live matters including complaint management litigation and appeals.

The same prohibition on re-employment applies under the VRS, except that the prohibition is for a period of 7 years. Long service increments may be payable after 3(LSI-1) and 6(LSI-2) years satisfactory service at the maximum of the scale.

Candidates should note that entry will be at the minimum of the salary scale and will not be subject to negotiation and the rate of remuneration may be adjusted from time to time in line with Government pay policy. Increments may be awarded subject to satisfactory performance, in line with Government pay policy.

Important Note

Different terms and conditions may apply, if, immediately prior to appointment the appointee is already a serving Civil Servant or Public Servant.

Tenure

The appointment will be to a permanent post in the public service. The appointee will be required to serve a 10 month probationary period.

Assignment / Location

The successful candidate will be based in Dublin. When required to travel on official duty the appointee will be paid appropriate travelling expenses and subsistence allowances, subject to normal public service regulations.

Hours of Attendance

Hours of attendance will be fixed from time to time but will amount to not less than 43 hours and 15 minutes gross per week. The successful candidate will be required to work such additional hours from time to time as may be reasonable and necessary for the proper performance of his/her duties subject to the limits set down in the working time regulations. Flexi-time will apply.

Annual Leave

The annual leave allowance for the position of Executive Officer is 23 days, rising to 24 after 5 years' service and to 25 after 10 years' service. A candidate for and any person holding the office must be fully competent and capable of undertaking the duties attached to the office and be in a state of health such as would indicate a reasonable prospect of ability to render regular and efficient service.

Sick Leave

Pay during properly certified sick absence, provided there is no evidence of permanent disability for service, will apply on a pro-rata basis, in accordance with the provisions of the sick leave circulars.

Appointees, who will be paying the Class A rate of PRSI, will be required to sign a mandate authorising the Department of Social Protection to pay any benefits due under the Social Welfare Acts direct to the employing Department/Organisation. Payment of salary during illness will be subject to the appointee making the necessary claims for social insurance benefit to the Department of Social Protection within the required time limits.

Superannuation and Retirement

The successful candidate will be offered the appropriate superannuation terms and conditions as prevailing in the public service, at the time of being offered an appointment. In general, and except for candidates who have worked in a pensionable (non-single scheme terms) public service job in the 26 weeks prior to appointment (see paragraph d below), this means being offered appointment based on membership of the Single Public Service Pension Scheme ("Single Scheme"). Key provisions attaching to membership of the Single Scheme are as follows:

a. Pensionable Age

The minimum age at which pension is payable is 66 (rising to 67 and 68) in line with State Pension age changes.

b. Retirement Age

Scheme members must retire at the age of 70.

c. Pension Abatement

If the appointee was previously employed in the Civil/Public Service and is in receipt of a pension from the Civil/Public Service normal abatement rules will apply. However, if the appointee was previously employed in the Civil/Public Service and awarded a pension under voluntary early retirement arrangements (other than the Incentivised Scheme of Early Retirement (ISER) or the Department of Health Circular 7/2010 VER/VRS which, as indicated above, renders a person ineligible for the competition) the entitlement to that pension will cease with effect from the date of reappointment. Special arrangements will however, be made for the reckoning of previous service given by the appointee for the purpose of any future superannuation award for which the appointee may be eligible.

If the appointee was previously employed in the Civil Service or in the Public Service please note that the Public Service Pensions (Single Scheme and Other Provisions) Act 2012 includes a provision which extends abatement of pension for all Civil and Public Servants who are re-employed where a Public Service pension is in payment. This provision to apply abatement across the wider public service came into effect on 1 November 2012.

This may have pension implications for any person appointed to this position who is currently in receipt of a Civil or Public Service pension or has a preserved Civil or Public Service pension which will come into payment during his/her employment in this position.

Department of Education and Skills Early Retirement Scheme for Teachers Circular102/2007

The Department of Education and Skills introduced an Early Retirement Scheme for Teachers. It is a condition of the Early Retirement Scheme that with the exception of the situations set out in paragraphs 10.2 and 10.3 of the relevant circular documentation, and with those exceptions only, if a teacher accepts early retirement under Strands 1, 2 or 3 of this scheme and is subsequently employed in any capacity in any area of the public sector, payment of pension to that person under the scheme will immediately cease. Pension payments will, however, be resumed on the ceasing of such employment or on the person's 60th birthday, whichever is the later, but on resumption, the pension will be based on the person's actual reckonable service as a teacher (i.e. the added years previously granted will not be taken into account in the calculation of the pension payment).

III-Health-Retirement

Please note that where an individual has retired from a Civil/Public Service body on the grounds of ill-health his/her pension from that employment may be subject to review in accordance with the rules of ill-health retirement within the pension scheme of that employment.

d. Prior Public Servants

While the default pension terms, as set out in the preceding paragraphs, consist of Single Scheme membership, this may not apply to certain appointees. Full details of the conditions governing whether or not a public servant is a Single Scheme member are given in the Public Service Pensions (Single Scheme and other Provisions) Act 2012. However the key exception case (in the context of this competition and generally) is that a successful candidate who has worked in a pensionable (non-single scheme terms) capacity in the public service within 26 weeks of taking up appointment, would in general not become a member of the Single Scheme.

In this case such a candidate would instead be offered membership of the pension scheme for non-established civil servants (“Non-Established State Employee Scheme”). This would mean that the abatement provisions at (c) above would apply, and in addition there are implications in respect of pension accrual as outlined below.

e. Pension Accrual

A 40-year limit on total service that can be counted towards pension where a person has been a member of more than one existing public service pension scheme would apply. This 40-year limit, which is provided for in the Public Service Pensions (Single Scheme and other Provisions) Act 2012 came into effect on 28 July 2012. This may have implications for any appointee who has acquired pension rights in a previous public service employment.

f. Pension-Related Deduction

This appointment is subject to the pension-related deduction in accordance with the Financial Emergency Measure in the Public Interest Act 2009.

For further information in relation to the Single Public Service Pension Scheme for Public Servants please see the following website: <http://www.per.gov.ie/pensions>.

Important Notice

The above represents the principal conditions of service and is not intended to be the comprehensive list of all terms and conditions of employment which will be set out in the employment contract to be agreed with the successful candidate.

Other Important Information:

The FSPO will not be responsible for refunding any expenses incurred by candidates.

The admission of a person to a competition, or invitation to attend interview, or a successful result notification, is not to be taken as implying that the FSPO is satisfied that such a person fulfils the requirements or is not disqualified by law from holding the position and does not carry a guarantee that your application will receive further consideration. It is important, therefore, for you to note that the onus is on you to ensure that you meet the eligibility requirements for the competition before attending for interview. If you do not meet these essential entry requirements but nevertheless attend for interview you will be putting yourself to unnecessary expense.

Prior to recommending any candidate for appointment to this position, the FSPO will make all such enquiries that are deemed necessary to determine the suitability of that candidate. Until all stages of the recruitment process have been fully completed a final determination cannot be made nor can it be deemed or inferred that such a determination has been made.
